Proofs have not been adjusted for exposure or color correction, however, your portraits will be. If you have particular concerns about your proofs please let us know - we want to help!
2. On the back of each pose write the exact quantity and size you are ordering.
Example: (2) 8x10, (4) 5x7, (16) wallets, etc. Make sure you have marked the correct number of photo units for your package. Also, write "retouch" on the poses you would like to have retouched. Similarly label your poses for any additional products (i.e. Folio, Collage, etc.)
